

The Cool School of Design

DESIGN  
LOUNGE

# Benefit

- Authorized Training
- Authorized Certificate
- Authorized study Materials
- Certified Trainer
- Industry Experience
- High-end workstations
- Latest Software
- Jobs Assistance
- Approx. 3 students/Batch
- Online Training available
- Online Live Lectures
- Group Discounts
- Vacation Batches
- Weekend Batches
- Personal Training
- Regular Workshops
- Invitations Events & Discounts
- Lecture Revisions
- Revisions after Course
- Extra Practice Sessions
- 100% Practical on projects
- Timing for professionals.
- Future Technology awareness

# Short Courses

(Individual Software)

Autocad	1 Month
3ds Max	1.5 Months
Vray	2 Weeks
Fusion 360	1 Week
Rhino 3d	1 Month
Grasshopper 3d	15 Days
Vray for Rhino	1 Month
Revit Architecture	1 Month
Revit MEP	1 Month
Revit Structure	1 Month
Navisworks	2 Weeks
Green Building Studio	2 Weeks
Robo Structure Analysis	1 Month
Advance Steel	1 Week
Advance Concrete	1 Week
MEP Fabrication (CAD, EST, CAM)	2 Week
Civil 3d	1 Month
Infraworks 360	2 Weeks
Inventor	1 Month
Primavera	1 Month
Structure Bridge Design	2 Week
Storm water analysis	1 Week
Flow Design	1 Week

# Package Courses

(Multiple Software)

Design Visualization

4 Months

Autocad | 3ds Max | Vray | Photoshop

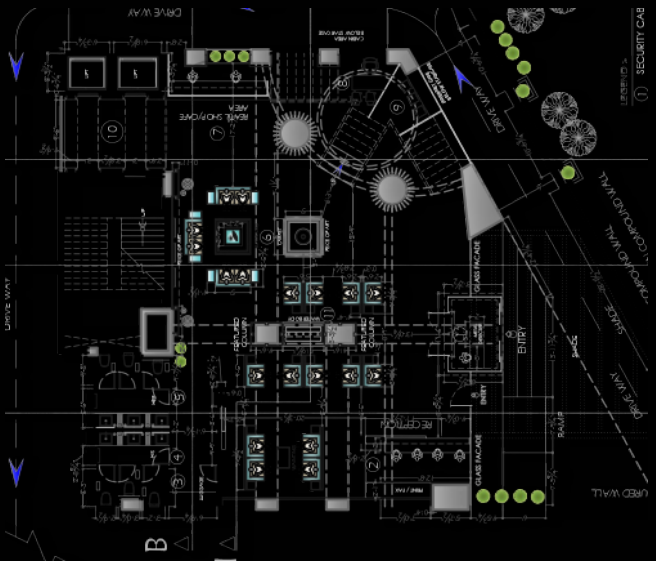

CG Architecture

4 Months

Revit Architecture | Rhino 3d | Grasshopper 3d

Vray for Rhino | illustrator | Primavera

Interior-Designers

# Professional Courses

## BIM for Architects

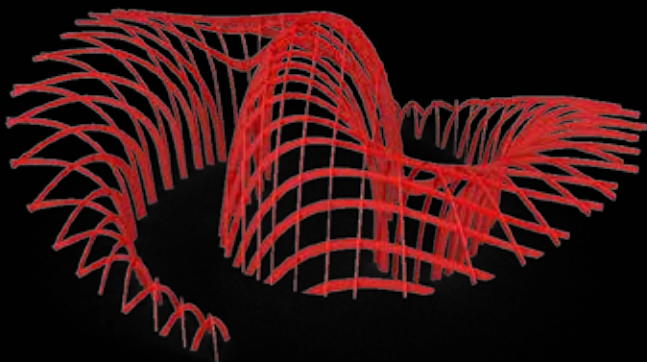

6 Months

Revit Essential | Revit Architecture

Rhino | Grasshopper | Primavera

Navisworks | Green Building Studio

Flow Design | Dynamo | Stingray

## BIM for Civil

9 Months

Revit Essential | Revit Structure

Robo Structure Analysis

Advance Steel | Advance Concrete

Navisworks | Flow Design

Civil 3d | Infracore 360

Structure Bridge Design | Storm water analysis

## BIM for MEP

3 Months

Revit Essential | Revit MEP

MEP Fabrication (CAD, EST, CAM)

Navisworks, Primavera | Flow Design

Architect

Civil-Engineer

# Professional Courses

## BIM
